# FOREWORD

This year we have tried to achieve the **NEW LOOK** as we attempt to present a true picture of the student life of Grainger High School—school dances, class plays, choral and band concerts, Junior-Senior, and all other events.

And, so, it is with a great deal of pride, but also with a feeling of humility that we present to you, the students of Grainger High School, the 1958-59 Kay Aitch Ess.

**SCHOOL DAYS . . .** Performances memorable . . . scenes of studying . . . scenes of gaiety . . . scenes of activity . . . We have played our roles well—some starring, others supporting—yet, each contributing to a major production.

As I recall on looking back, it seems as if this has been the greatest year of high school for me. How

could anything be greater? But then—every senior year has always been like that. Funny thing, next year I'll make the rounds again, because, you see, I'm the RED DEVIL—I'll never graduate—I'm just too much in love with 'ole' G.H.S. and its human content to leave. You might just call me an observer who walks the halls reminiscing over the past.

My first year of occupancy began in 1926 when Jesse W. Grainger High School was built.

## ALMA MATER

Through the years that lie before us,  
Through both sad and happy days,  
We will raise our hearts in chorus,  
In a hymn of grateful praise:  
For dear old Grainger High School,  
The school we love the best . . .  
We will cherish and protect her  
Above all the rest.

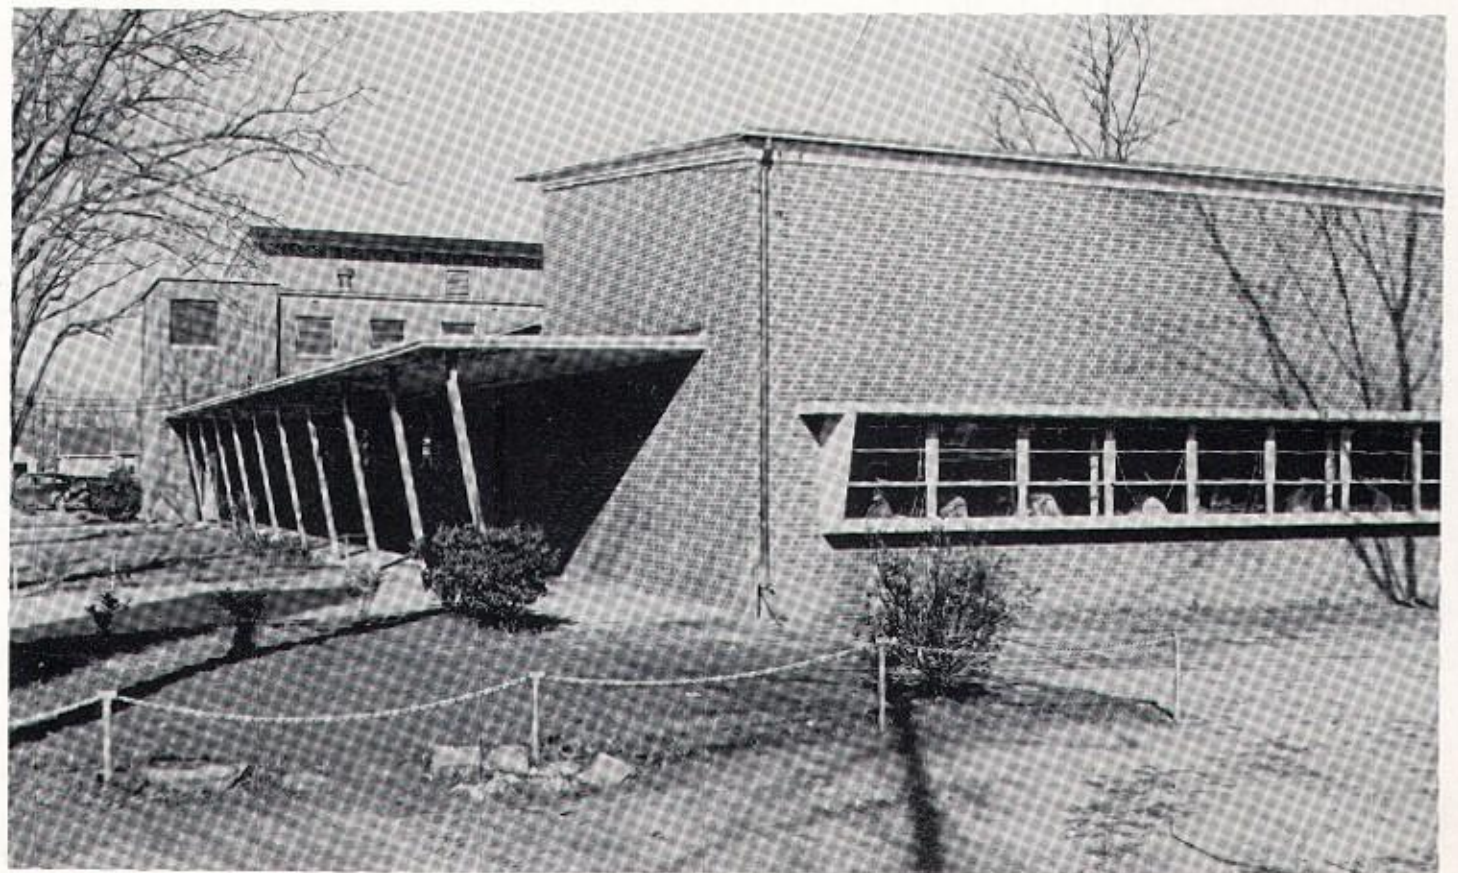

There have been many changes and additions. The main building, finished in 1926, houses the auditorium, cafeteria, music department rooms, and most of the classrooms.

## GRAINGER

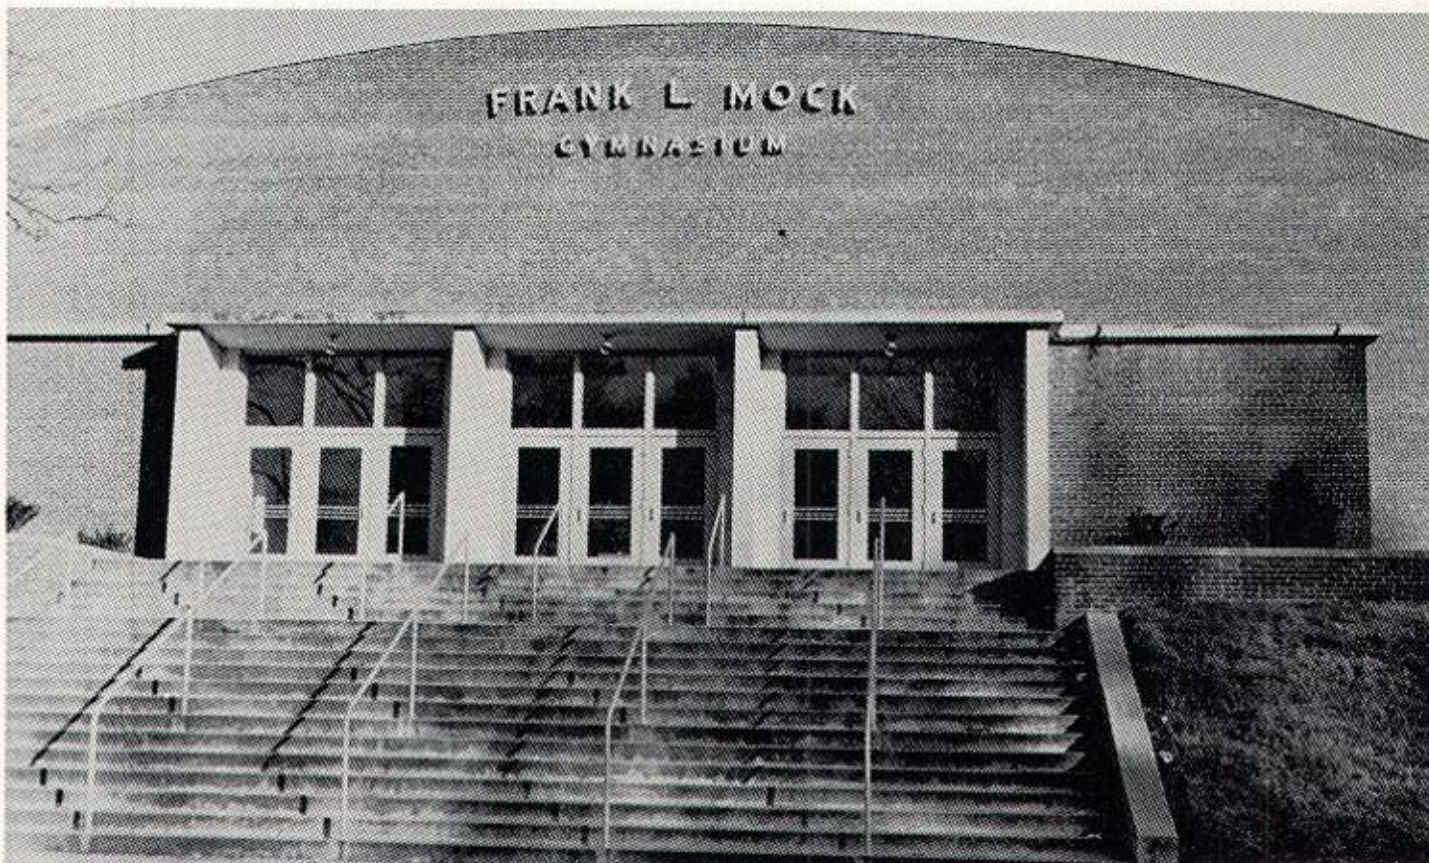

The Industrial Arts and Band Building was built in 1948. This is the building for all the band, mechanical drawing, shop, and auto mechanics classes.

Grainger Stadium, our municipal stadium, is used for all home football and baseball games, as well as our school's participation in the May Day Festival presented by the Recreation Department of our city.

# HIGH SCHOOL

In 1951 the Frank L. Mock Gymnasium was completed. This is the scene of all our home basketball games, in addition to the physical education classes.

Oh, well, let's not get carried away with this history. The year is 1958-59 and our school population approximates 1000.  
Let's get on with the tour . . . starting with our school leaders.

## BOARD OF TRUSTEES

The Board of Trustees of the Kinston Public Schools is composed of outstanding men and women who are appointed by the City Council. These citizens give unselfishly of their time and energy in guiding the policies of the administrative unit.

Their main functions are approving the expenditures of school funds, planning an adequate building program, electing the best qualified administration and instructors available, obtaining the most modern equipment that can be afforded, and determining the overall policy of the administrative unit. This is done with one purpose in mind—to provide the young people of Kinston the best possible education.

Mrs. Randolph Spear

Because of the intense interest shown in the students of Grainger High School—

Because of the willingness to help with our everyday problems—

Because of the sincere affection which we feel—

We are proud to dedicate this, the thirty-fourth volume of the Kay Aitch Ess, to

**MRS. RANDOLPH SPEAR**

and

**MRS. MARTIN C. FREEMAN**

Mrs. Martin C. Freeman

Mrs. Martin C. Freeman

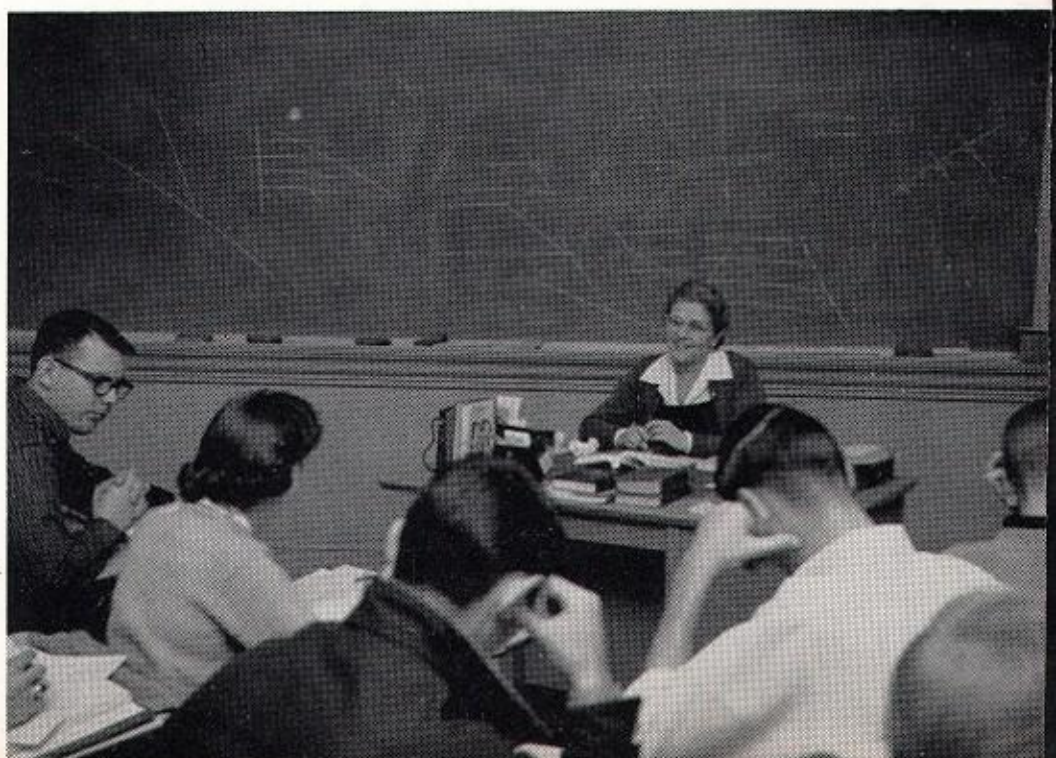

Though she has been here at Grainger only four years, she has done much in counseling students. She has helped many of us with the problems of high school and of choosing college. She has also helped many of us to have an excellent foundation in Latin and algebra.

Mrs. Freeman attended Flora MacDonald College from which she received an A.B. degree. Her favorite course in college was mathematics and she lists fishing, boating, sewing, cooking, and reading as her hobbies.

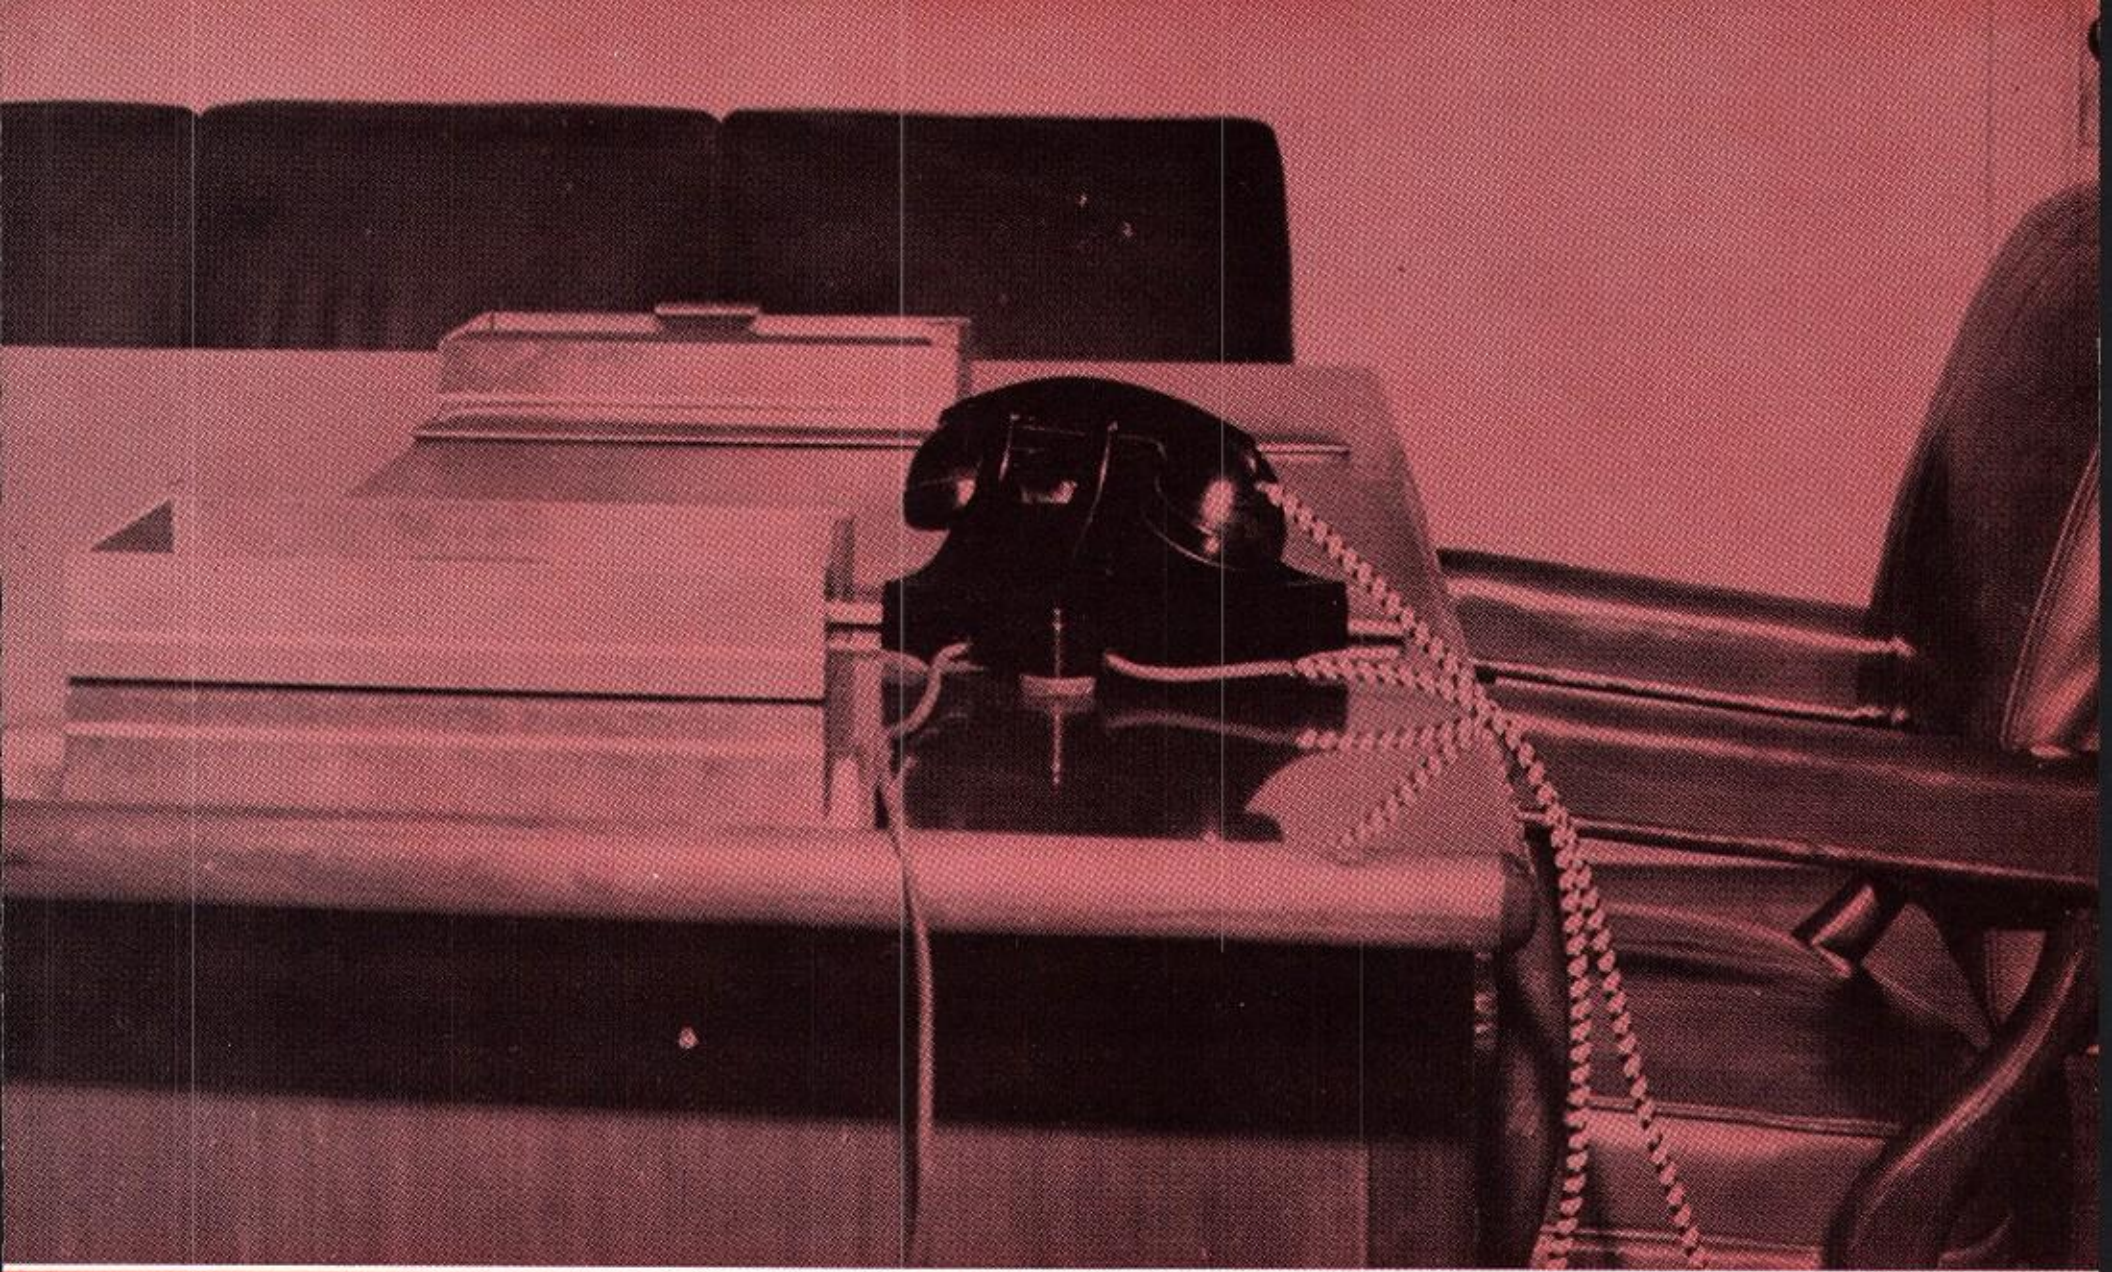

## DEDICATION

Mrs. Spear has been a part of our school for several years. During this time, she has been an advisor to the Kay Aitch Ess, to the student council, as well as an advisor to students when they needed assistance. She is active in church as well as in school. To her, consideration of others is an admirable trait in any person, and she is an outstanding example of one who possesses this virtue.

Mrs. Randolph Spear

# ADMINISTRATION

Even though the preceding administrators are in overall charge, we must not forget our school secretaries, who perform innumerable paper, telephone, and general information tasks. Of course, our teachers perform the chief function—to guide, direct, and inform the students, both in subject matter and life itself.

# ACTIVITIES

No school or school life is complete without extracurricular activities. There are many clubs and organizations in our school, some which are honorary and others with open memberships. And now, starting with our student governing body, let's take a look at our clubs:

Ball,

I have enjoyed knowing you  
you are a very sweet boy (stay that way)  
I hope next year we can be as good  
friends as we have been this year.

P.S. Be Sweet

Love you  
Jo Ann

# STUDENT COUNCIL

The Student Council is the governing body of Grainger High School. The Council promotes a closer relationship between faculty and student body through discipline, citizenship, and inter-class cooperation. Representatives from home-rooms and classes compose the membership of the council. The President is elected by a popular vote of the student body. Other officers are elected by a popular vote of the council members.

The activities of the Council are aimed at promoting better school spirit. Among these activities are the following: the publishing of a student handbook; the selling of concessions at football games; using the treasury to better the appearance of G.H.S. with room signs, water faucets, and benches; holding the Star Room Dance; observing Citizenship Week, and providing chapel programs.

To be selected as a marshal is the highest recognition a Grainger High School student can attain. Last spring the four rising Sophomores, five rising Juniors, and six rising Seniors having the highest scholastic averages in their respective grades were selected as marshals for this year. The rising Senior with the highest average is the Chief Marshal. Besides the honor of the position, the main duty of the marshals is to serve as ushers at the Commencement exercises. They also marshal at other functions during the year.

# CLASSES

Lots of luck to a very nice boy. I hope we can have some more good Saturday nights. Lots of success in whatever you do. Don't get too much. <sup>has</sup> ~~ha~~  
 Go to the bathroom daily. Please don't go on the floor. Please stop gassing me. It hurts!

Luck to a faithful pal.

<sup>"Peanut"</sup>  
 Starting with the eighth grade we come to what everyone has been waiting for—us, the students. We came to school this first year in September with eager anticipation mixed with a feeling of fear. It did not, however, take us long to become acclimated to the experiences of changing classes, meeting new friends, understanding the new grading system, and finally, taking those dreaded Exams.

Lots of luck in the future years to come. That's if we ever get out of the eighth grade.

Don't forget the fun we had in the eighth grade. Especially in Mrs. Strong's room. When I always picked on you. Don't forget the fun we had in the rest of the rooms.

Don't do anything wrong and if you do please name it after me. Please.

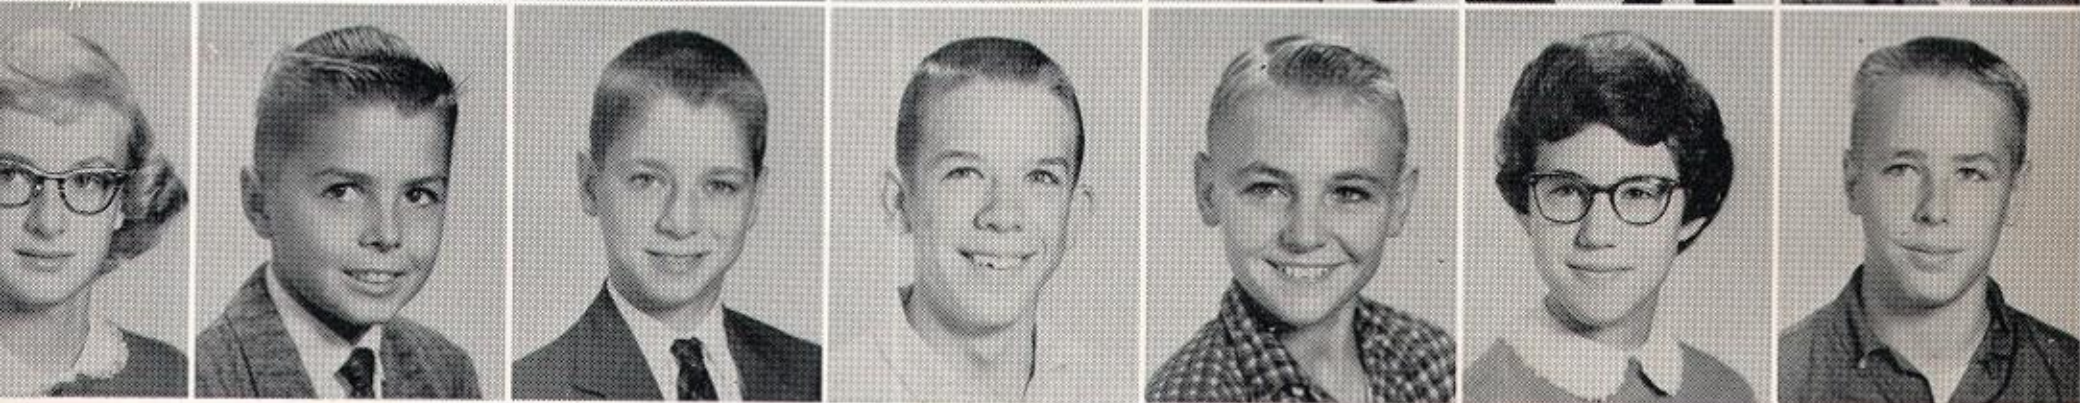

Lots of Love (to all the girls)  
 Don't pick on our 3rd class. (Wow) Squaw Micky Cannon

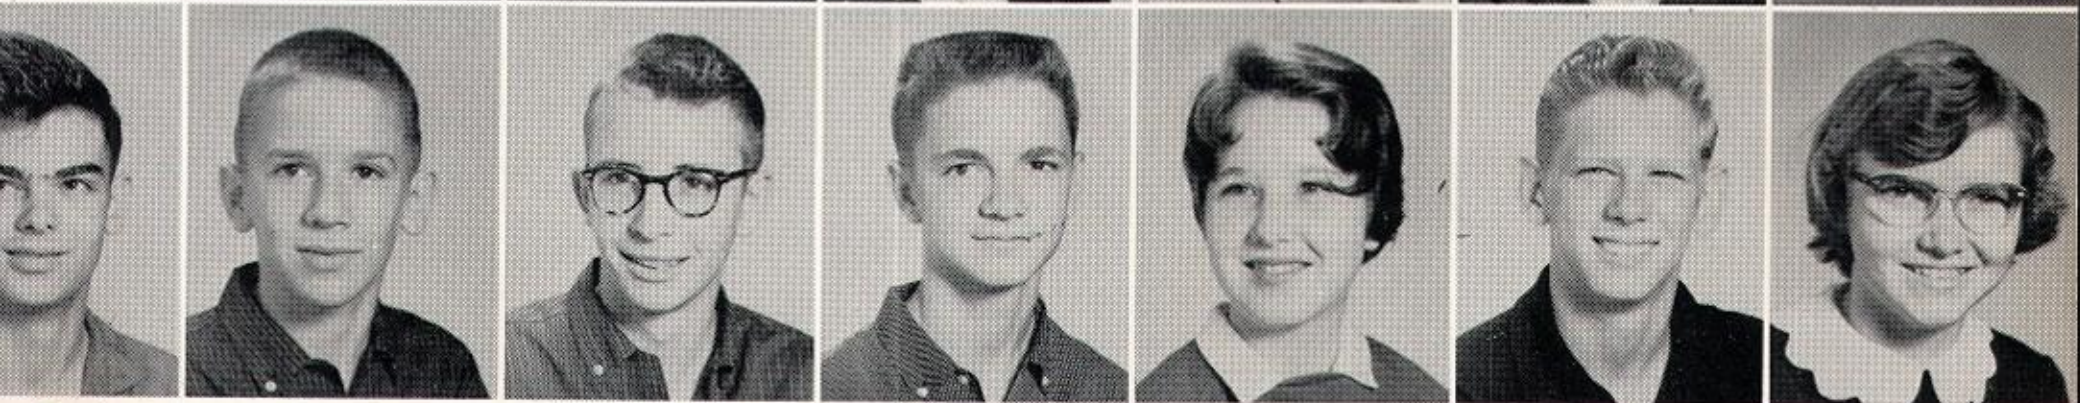

*Lots of Luck and success to a nice kid*  
**EIGHTH GRADE** *See in 15 room*

*I guess we'll play against each other on J.V. Football next. Good Luck always*

## FRESHMEN

This was the year in which we had the important decision of choosing either the College Preparatory, Commercial, or General Course. We were introduced to Latin, algebra, and other new subjects. Even though many of the students were still a little shy and hesitated to join clubs, most of them overcame their timidity and joined in the festivities.

## SOPHOMORES

More new experiences and classes come into our lives in this year of high school. Many of us learned to drive through the Driver Training program and all of us learned to dissect frogs and earthworms. Most of the students realized the purpose of school and knew what was expected of them. One of our main projects during this year was to begin to raise money to be used in the spring of our Junior year. Our big money-maker was the Sadie Hawkins Dance in November.

## JUNIORS

This was the year of money-raising for the big event in the spring—Junior-Senior. A great amount of extra time and energy was put into these money-raising projects, such as our class play and dances after the football and basketball games. We worked to make ours the best Junior-Senior yet. However, throughout all this activity we tried not to lose sight of the fact that our school work came first. We knew that time was fleeting and we tried to fill our school days with memorable experiences.

## SENIORS

At last we have reached the top rung of the ladder. This, our busiest year of school, has been full of events—putting on the class play, deciding on a class gift (and, of course, raising money for the gift), sponsoring dances and suppers, sending out invitations, being fitted for caps and gowns, and in between projects, doing class assignments. And finally, the final walk down the aisle to the tune of 'Pomp and Circumstance.' Here is the class of 1959 led by Linda McDaniel, our class president:

# IN LOVING MEMORY

VICKI SUE GRIFFIN  
Jan. 5, 1941—Sept. 5, 1957

Life! we've been long together  
Through pleasant and through cloudy  
weather;  
'Tis hard to part when friends are dear—  
Perhaps 'twill cost a sigh, a tear;  
Then steal away, give little warning,  
Choose thine own time;  
Say not "Good night," but in some  
brighter clime  
Bid me "Good morning."

—ANNA BARBAULD

Jimmy,  
 I have enjoyed seeing  
 you around school this  
 year. Best wishes and lots of  
 luck!  
 Travis

Our athletic teams are known all over the  
 state, especially the basketball team which has  
 won quite a few championships. Also the foot-  
 ball and baseball teams are widely known for  
 their accomplishments. This year has been no  
 exception as our teams have done quite well.  
 First, here are our football teams . . .

J. Ball,  
 Sure has been not  
 nice & right much  
 raising hell this year  
 with you. Keep it cool  
 this summer & stay  
 sober. Don't do anything  
 I wouldn't.  
 Always,

THIRD ROW: Coach Jones, Norris, Archie, Vick, Smith, Dawkins, Briner, Kelly, Williams, Casey, Cranz, Randolph, Coaches Thompson and Kennedy.

## VARSITY FOOTBALL

The 1958 Grainger High Football team proved to be a very young inexperienced ball club, yet they finished the season with a number of wins. Coach Thompson is giving us his first year at G.H.S. and is smoothing his Red Devils and making them a scrappy group of gridders.

The Red Devil gridders, led by two All-Conference selections, Gaylord Randolph and Ricky Cranz, improved at the last part of the season and fought an uphill battle to defeat New Bern 14 to 7 in the homecoming game.

## JV FOOTBALL

As was the varsity team, the Junior Varsity team was inexperienced. Coach Tom Mosely fought a rough, uphill battle in leading his RED MEN to victories over teams like Elizabeth City and Contentnea. In spite of lack of experience the teams showed fire and determination and played outstanding defense.

After much practice for several weeks, Colon Byrd, chief advisor, chooses a Junior Varsity chief and ten other well qualified girls to assist the chief in giving their pep, coordination, and energy to lead the J.V. teams on to victory. The girls practice several days each week and continue to develop new yells.

I hope that I have been able to present to the students of "ole" G.H.S. a true picture of our lives in pictures. I have presented every phase of school life—teachers, classes, clubs, and sports. Even though I'll be put away for the summer, it has been quite enjoyable presenting school life to MY life, the students, but I'll be back next year. Congratulations and good luck, graduates. Have a good summer, and I'll return with the rest of you next year.

THE RED DEVIL

I want to wish

I hope you will be a friend because I  
will be a friend to you.  
Love you,  
Doris

To My Dearest Son,

Jimmie,

How fast you you have really become to seem like a real son. If I ever really have a son I hope he will be just like you and Mike. I want him to be just as mean and just as sweet as you. When I graduate next year I am going to mess you like everything. I will have to find you a substitute mother to take my place until I see you. We have had a damn good time this year but just wait! ~~not for~~ <sup>this summer</sup> we are really going to live it up. We'll start off real good for Senior weekend. I can't hardly wait. I really think you are a wonderful "son" and I envy your mother you are right pesty at times but you are still the sweetest "little thing" I have ever seen. When you move you had better write me so you won't get a chance to forget your "little Mother". Be good and don't snow so many "little girls" you will break their little hearts when you tell them you will always be mine.

Your  
I love you little  
Jo Ann (Mother

T. Ball,

I have really enjoyed this year. We  
weren't too bad. <sup>haha</sup> Too bad you are moving.  
But I'll be pretty close in Hifton. When  
you get your car you can come and pick  
me up and we can cool it to Kinston. You  
a fine friend and a good ~~boy~~ boy. We  
had a couple of battles, by the way I owe  
you a punch. We always managed  
to make up.

Thanks for the weeds, they were  
good to me. Loads of Luck.  
Keep Cool.

A friend Always

Mike
